

Ormiston Latimer Curriculum Offer 2022-23

We continue to offer a broad curriculum that provides an element of choice underpinned by a strong core. This enables us to prepare learners for a return to mainstream without compromising on potential outcomes for those who complete their examinations here at OLA. The following table outlines the structure of the offer by year group.

Inclusion and SEN in the curriculum is planned carefully and specifically to match learners' needs. Additional specialist advice may be sought e.g. Speech and Language, when appropriate and, when necessary, technology and/or interventions with identified teachers and LSPs will be used to support the learner. The broad range of accreditation from Unit Awards, Entry Level Certificates and Functional Skills to BTECs and GCSEs ensure that we can cater for the majority of our learners. The following table outlines the structure of the offer by year group. There are a total of 28 lessons a week.
